Accommodation & Support

All the participants would be provided tea, Snacks & lunch on each day of the FDP, and *NO ACCOMMODATION* would be provided on our behalf. All participants will get a certificate

ESWAR & Dept. of ECE

Eswar College of Engineering sponsored by Shaik Dada Saheb Charitable Trust. The Institution offers the UG Courses B.Tech CIVIL, EEE, ECE, CSE, AME, ME, PG Courses M.Tech-DECS, CSE, CAD/CAM, PEED & MBA. Eswar College of Engineering is having MOU with International Institute of Information Technology IIIT-Hyderabad and introduced CIT Program for students Digital Class facility is also provided in association with Manipal K12, Bangalore, the very first college in Andhra Pradesh. The college Awarded Best Engineering College in 2013 and Principal of Eswar College got Best University Teacher Award in 2014.

The department of Electronics & Communication Engg. was established in the year 2008 with an intake of 120 students and later an increased to 180. The department has well established laboratories, infrastructure and highly experienced staff members it offers M.Tech (DECS) Program with a student intake of 18

DEPARTMENT OF ELECTRONICS & COMMUNICATION ENGINEERING

ESWAR COLLEGE OF ENGINEERING

KESANUPALLI VILLAGE, NARASARAOPET – 522549, Guntur Dist., AP

(Sponsored by Shaik Dada Saheb Charitable Trust, Narasaraopet.)

Approved by AICTE, New Delhi & Affiliated to JNTU, Kakinada, AP

About The Program

Signal processing is concerned with the representation, manipulation and transformation of signals and the information that they carry. The research in many areas such as signal coding and de-noising has paved the path for advancements. Recent decade has witnessed major revolution in communication and processing of digital media. As a consequence solutions to major problems in processing, transmission and reception have made signal processing an integral part of modern electronic systems. This program will provide an opportunity to highlight recent trends and developments to identify emerging and future areas of growth in these exciting fields. It will further give impetus to the researchers towards bringing out newer and efficient techniques. Expert invited speakers from both industry and academia with their vast research experience in various fields will arouse the researchers for development of signal processing and communication engineering. With the participation of so many experts, it is expected that this program will help in meeting the future challenges.

Objective

- To provide recent trends and development in signal processing areas.
- To discuss state-of-the-art developments and emerging techniques in Communication

Coverage Area's

- Signal Representation for Digital Signal Processing
- Time and Frequency Domain Analysis and Applications -Multi-resolution Analysis
- Signal Processing for Bio-medical signals
- Speech Signal Processing & Image Processing

Speakers

A set of prominent speakers from Industry, Academia (IITs and NITs faculty), who are involved in latest research in Signal Processing will deliver talks on various topics.

Duration & Venue

The course will be held at Eswar College of Engg, Kesanupalli Post, Narasaraopet Mandal, Guntur (Dt).

During 29th Jan to 03rd Feb, 2018.
