E-GOVERNANCE REPORT: 2021-22

E-Governance in the educational sector has revolutionized administration. Utilizing a data and processes model, it simplifies, organizes, and eliminates errors in institutional operations. The e-governance system of the institution is designed to be user-friendly, time-efficient, and cost-effective. It enhances transparency, ensures quick information dissemination, and improves administrative efficiency and public service across all aspects of education. The institution successfully implemented the ERP services for Undergraduate and Post -Graduate Engineering and MBA Programs in the current Academic Year with a total expenditure of Rs 1,61,500/-.

S. No	Name of the Service	Area of Operation
1	College Automation Software (ESSAP)	<p>This software plays a crucial role in streamlining daily participation and administrative processes. Developed with cutting-edge technology, it offers a flexible and integrated platform for students, teachers, administrators, and other staff members. As a web-based application, users can conveniently access it from anywhere using their login ID and password. The actions performed using ESSAP software includes:</p> <ol style="list-style-type: none">1. Student Attendance Posting2. Time Table Schedule3. Student Biodata4. Syllabus Coverage5. Lecture Notes6. Staff Attendance
