Report on Gender Sensitization

Program Objectives:

1. For Implementation of proactive measures to address gender bias in hiring, promotion, and compensation practices.
2. For Reduction in gender-based disparities in leadership roles, fostering diverse and equitable workplaces.

Outcomes:

Students become more aware of the various gender-related issues and challenges that exist in society, such as stereotypes, discrimination, and biases.

The program on gender sensitization started on 5th January 2021 at 11 a.m. in Seminar Hall 202. The event began with a welcome note by the III B.Tech students, followed by the invitation of dignitaries to the dais. The Principal of Eswar College of Engineering inaugurated the program with an address, emphasizing that understanding their rights and the importance of gender equality boosts confidence and self-esteem, empowering them to assert themselves in various areas of life.

Smt. P. L. Suneetha Garu, the coordinator of the WP & EC Cell, then delivered a message emphasizing that gender sensitization helps ensure girl students have equal access to educational and professional opportunities, breaking down barriers that might have previously hindered their progress.

The resource person, Smt. Dr. Gayathri Yeruva Garu, addressed the students, highlighting the importance of recognizing gender issues and gaining knowledge about their legal rights and protections, which empowers them to stand up against gender-based discrimination and violence.

Finally, Smt. Dr. Gayathri Yeruva Garu was felicitated by the college dignitaries, and the program concluded with a vote of thanks.

Report on International Women's Day 2021

The theme for International Women's Day 2022 is 'Women in leadership: Achieving an equal future in a COVID-19 world'.

The International Women's Day program commenced on March 8, 2021, at 11:00 a.m. in Seminar Hall 202. The event began with a welcome note from the III B.Tech students, followed by the invitation of dignitaries to the dais. The Principal of Eswar College of Engineering inaugurated the program with a speech highlighting the impact of the digital gender gap on widening economic and social inequalities. He emphasized the importance of protecting the rights of women and girls in digital spaces and addressing online and ICT-facilitated gender-based violence.

Smt. P. L. Suneetha Garu, the General Secretary of the WP & EC Cell, delivered a message stating that programs and events dedicated to International Women's Day provide a platform for our students to learn from the experiences and achievements of women leaders in various fields. These stories can inspire our students, especially young women, to pursue their passions, break barriers, and strive for excellence in all their endeavours.

The Managing Director of Eswar College of Engineering then addressed the students, emphasizing that this is a time to reflect on the progress made, call for change, and celebrate the acts of courage and determination by ordinary women who have played extraordinary roles in the history of their countries and communities.

The Chief Guest, Smt. Dr. Sriramineni Hinduja Garu, inspired the students and encouraged all the female students to engage more actively in various programs. She stated that International Women's Day is a global occasion that transcends borders, cultures, and ideologies, reminding us that the fight for women's rights and equality is a shared responsibility.

The event concluded with a felicitation of Smt. Dr. Sriramineni Hinduja Garu by the college dignitaries, followed by a vote of thanks.
