REPORT ON THE PROGRAM

TITLE OF THE EVENT : YOGA AND MEDITATION

DATE : 21/06/2022

RESOURCE PERSON : VENKATESWARA YOGA KENDR NARASARAOPET

No. of students participated : 117

Introduction:

The "Yoga and Meditation Program" was designed to promote holistic well-being by harnessing the transformative power of ancient practices such as yoga and meditation. This report provides an overview of the program's objectives, implementation strategies, key outcomes, and highlights the profound impact of these practices on physical, mental, and emotional health.

Program Highlights:

1. Morning Yoga Session: The program commenced with an invigorating yoga session led by certified yoga instructors. Participants gathered in the college grounds, where they were guided through a series of asanas (postures), pranayama (breathing exercises), and meditation techniques. The session focused on enhancing flexibility, strength, and mindfulness.
2. Meditation Workshop: Following the yoga session, a meditation workshop was conducted in the college auditorium. Experienced meditation practitioners led the workshop, introducing participants to various meditation techniques such as mindfulness meditation, loving-kindness meditation, and guided visualization. Participants learned how to cultivate inner peace, reduce stress, and improve concentration through regular meditation practice.

Conclusion:

The Yoga and Meditation program held at Eswar College of Engineering on June 21, 2022, was a resounding success, attracting enthusiastic participation from students, faculty, and staff. The program not only provided valuable tools for stress management and self-care but also fostered a sense of community and connection among participants.

REPORT ON THE PROGRAM

TITLE OF THE EVENT : Awareness of Health through Nutritious food

DATE : 21/11/2022

RESOURCE PERSON : GBR HOSPITALS - NRT

No. of students participated: 114

Objective

The primary objective of the Awareness Program on Health through Nutritious Food was to educate faculty, staff, and students of Eswar College of Engineering about the importance of a balanced diet and healthy eating habits for overall well-being.

Overview

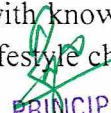

The Awareness Program on Health through Nutritious Food was designed to address the growing concern about lifestyle-related health issues and to promote the adoption of healthier dietary practices among the college community. Through interactive sessions and informative presentations, participants were encouraged to make informed choices about their food intake and lifestyle habits.

Key Highlights

1. Planning and Execution
2. Educational Sessions
3. Cooking Demonstrations
4. Interactive Activities

Conclusion

The Awareness Program on Health through Nutritious Food served as an effective platform for raising awareness and promoting healthy eating habits among the faculty, staff, and students of Eswar College of Engineering. By empowering individuals with knowledge and practical skills related to nutrition, the program aimed to inspire positive lifestyle changes and improve overall health outcomes.

REPORT ON THE PROGRAM

TITLE OF THE EVENT : "Dental and Eye Check up"

DATE : 28/01/2023

RESOURCE PERSON : SANKAR EYE HOSPITAL PEDAANI

No. of students participated: 137

Introduction:

Eswar College of Engineering, in its commitment to the holistic well-being of its students and staff, organized a comprehensive Dental and Eye Check-up program. The event aimed to promote awareness about oral and ocular health and provide participants with access to professional consultations and screenings.

Activities Conducted

1. Dental Check-up:

- Professional dentists were present to conduct oral examinations.
- Students and staff were guided through proper brushing and flossing techniques.
- Information on common dental issues and preventive measures was shared.
- Recommendations for further treatment or specialized care were provided as necessary.

2. Eye Check-up:

- Optometrists performed visual acuity tests to assess participants' vision.
- Eye health screenings, including examinations for common conditions like myopia and astigmatism, were conducted.

Conclusion

The Dental and Eye Check-up program at Eswar College of Engineering was a resounding success, fostering awareness and encouraging proactive health management among participants. By providing access to expert consultations and screenings, the event contributed significantly to the well-being of the college community
