Policy Document on Add-on Course

Vision

Empowerment of ESWAR with Values, Skills and Competencies to meet the challenges of 21st century and to become professionally competent, adaptable and socially committed in tune with NEP 2020.

General Objectives

It is for both undergraduate and postgraduate students. It is mentioned that the value-added courses should not be included in the curriculum of JNTUK, Kakinada

Course Structure:

The courses offered should not be identical to any other course specified in the corresponding program's curriculum or any other programs.

After getting approval from the respective Head of the Department, students are authorized to pursue a value-added course conducted by other departments.

Duration:

The duration of the value-added course should be more than 30 hours of the combination of theory and laboratory sessions.

Evaluation:

The value-added course will be assessed and evaluated through multiple choice questions, True/ False, Fill in the blanks, Image-based, graphical analytical, etc., to check the competency level of the student.

Eligibility certification:

The eligibility criterion for getting a certificate in value-added course is based on attendance and marks obtained in the exam conducted after completion of the course.

- ❖ The minimum attendance requirement is 80%
- ❖ The minimum marks required is 60%
